Welcome to Marendale Pet Resort

Marendale Pet Resort is a family business and we have been caring for dogs and cats since 1989. Over that time we have learnt a thing or two about looking after pets....so it is with utmost confidence we say, your pet will be treated just like one of the family.

Marendale is a modern boarding facility. Nestled amongst lush gardens on 5 acres in beautiful Duffys Forest on Sydney's North Shore / Northern Beaches, Marendale aims to give your pet an enjoyable holiday, plenty of exercise and loving care in a secure environment. Whether it is long or short term boarding, our aim is for your pet to enjoy himself and want to return to Marendale.

Dogs

At Marendale Pet Resort we have spacious indoor and outdoor kennels, trampoline beds and sunny grassed exercise yards, where your dog can run, play or potter with his new friends for many hours. Most people bring their dogs to Marendale because of the daily exercise program. And if that is not enough, for a small extra fee, your dog can have individual walks or games with one of our keen and energetic staff.

Food

Our cooked chicken loaf and special biscuits are very popular with our guests. If your vet has prescribed a special diet, then speak to us and it may be possible to bring it along with you.

Additional Services for dogs

- Bathing, brushing, de-shedding
- Grooming
- Individual walks/games
- Dog training

Cats

The cattery at Marendale Pet Resort is indoors, and quite separate from the dog areas, where your cat will have her "own private room". The cattery is spacious and fitted with comfy baskets with soft bedding, though it is OK to bring her favourite igloo or blanket to feel more at home.

The **VIP GARDEN SUITES** for spoilt cats are something special! Very generous rooms with 24hr access to her own secure and sunny, north facing, private garden, with multi-level scratching posts, cane chairs and themed rooms ie. sea change /tree change or jungle. Your cat will probably take the chance for some R&R and enjoy the creature comforts.

Food

At Marendale Pet Resort we try to cater for fussy cats, so please tell us about her favourite foods.

Additional services for cats

- Individual playtime with our lovely staff
- Extra brushing
- Cuddle time
- Upgrade to VIP garden suite

Vaccinations are like a passport to a good boarding kennel or cattery.

Your dog must have a current yearly Canine 5 (C5) vaccination including the new Intranasal Canine Cough vaccination.

Cats require minimum F3 annually. A vaccination certificate must be produced on arrival or faxed prior to the booking. Please do not leave vaccinations till the last minute, as they may take up to 14 days to take effect.

Tours

You are most welcome to come and tour our lovely facilities between 10am and 12 noon Monday through to Saturday in low season.

There are no tours in high season or school holidays as these are very times.

Vet

Should the need arise Marendale has an excellent vet on 24 hr call.

Existing ailments and special diets should be discussed with the office prior to booking in.

Ticks and fleas

- Marendale recommends for dogs Advantix or Frontline every 14 days.
- Marendale recommends for cats Frontline
